## EVERETT COURTYARD BY MARRIOTT RESTAURANT / RETAIL / OFFICE

The Everett Marriott Courtyard, opened in late 2016, is prominently located in the heart of Downtown Everett's business and retail core on the SE corner of the lighted intersection of Colby Avenue and Wall Street. The project offers rare corner-oriented first generation street level commercial space that can be configured to a variety of uses including full service restaurant, general retail or office to occupy all (4,311 SF) or a portion (2,885 SF VS. 1,426 SF) of the highly visible space. The north end cap will provide a first generation opportunity for a full service restaurant to occupy all or a portion of the highly visible space.

The site is located in a growing and dynamic downtown commercial core. From the well-loved Imagine Children's Museum and Schack Art Center, to half-a-dozen new mixed-use apartment developments that have recently opened, both are adding to the growth of the downtown population, currently boasting a combined total of almost **38,500 employees and residents** within a one mile radius. Everett has grown from a primarily industrial mill town to an active, diverse and vibrant metropolitan area that provides residents with a reason to stay and visitors a reason to come. For those seeking an active urban lifestyle within Snohomish County, it's all in Downtown Everett.
