OVERVIEW

A signature development by renowned developer, Nat Bosa, Insignia represents modern architecture, sophisticated style and unprecedented amenities, all coming together in the city's most central location. Insignia is Seattle's premier condo project and encompasses an entire city block and includes 26,000 square feet of street level retail space as well as two 41-story residential towers with 707 luxury condo units. Located on the site bounded by 5th Avenue, Battery Street, 6th Avenue and Bell Street in Seattle's Belltown neighborhood. Insignia is located 1 1/2 blocks north of the Amazon "Spheres" campus, which includes over 4 city blocks comprising 3.3 million square feet of office space.

Insignia is located in the heart of Seattle where Downtown, Belltown and South Lake Union intersect - merging a sense of chic cosmopolitan city with the fabric and personality of character-filled neighborhoods. It's incredibly unique, walkable, connected and adventurous. This is all complemented by the onsite retail that anchors the ground floor of Insignia, adding downstairs convenience and furthering the neighborhood's vibrant streetscape appeal. Belltown is one of Downtown's fastest growing neighborhoods with beautiful new developments pushing it forward. This vibrant area seamlessly integrates professional and residential communities with restaurants, bars, unique shops and public parks, all connected via the Seattle Streetcar line. Insignia is located just two blocks north of "The Spheres" Amazon campus, comprising 3.3 million square feet of office space, and one block from City University, with ease of access to Highway 99, public transportation and the downtown core.
