LOCATION:

Located just off of Highway 516, Ethos Kent's Meeker Street location is just a 5-minute drive from I-5, linking the community in any direction north or south to major employment centers around the region. Traffic counts at the intersection of Meeker Street & Highway 516 is over 23,000 VPD (2018, WSDOT)

Being on THE major E/W arterial, cutting from I-5 through the Kent Valley will help retailers attract not only the community residents and the golf visitors, but also the area employees, Showare and DT Kent visitors, and commuters who use this as their main pathway to and from work and home.

Suburban communities like the Kent Valley have seen a progressive cosmopolitan shift, inviting a modern blend of retailers to invest in new businesses that incorporate a more contemporary and modern aesthetic, similar to what patrons find in upscale urban environments. These businesses are targeting a younger demographic that are attracted to the dynamism and vitality of the urban setting, but in a convenient and accessible location closer to home.

The traffic patterns of a well-located suburban location allows the retailer to focus on servicing the residents in the immediate neighborhood but also have an eye on the larger regional visitor and commuter landscape.
