## PROPERTY OVERVIEW

Brio is an exciting new project by Su Development, located off 112th in the heart of downtown Bellevue, with close proximity to dense office and residential traffic. This new wave project features approximately 16,380 SF of retail/restaurant/office space, 259 apartment units, 7,080 square foot sports court, 13 foot ceilings, 12 foot wide sidewalks and easy access to public transportation and I-405.

Brio sits on a 38,513 square foot site with two residential towers. Overall, the two buildings comprise 221,115 square feet and will be connected by an outdoor courtyard and the third level of both buildings will be connected by a pedestrian bridge. With cutting edge architecture and building design by Bohlin Cywinski Jackson Architects, this exhilarating project is intended to be a catalyst for the community in downtown Bellevue.

**PARKING:** 50 shared retail parking stalls (2-hour parking validation). Monthly parking available at Fair Market Rates (subject to change).
