

BELLEVUE
CONNECTION

550 106th Ave NE, Bellevue WA
1,698-9,209 SF OF STREET LEVEL RETAIL AVAILABLE

Project Overview

Located in Bellevue's downtown core, Bellevue Connection is a 250,000 square foot office building with dynamic street level retail and abundant parking.

The building completed extensive improvements in 2022, bringing a more modern experience, with upgraded parking systems, building entries, a new sleek metal building façade as well as the addition of new retail spaces. Bellevue Connection sits adjacent to the Grand Connection, the pedestrian corridor that connects downtown to Meydenbauer Bay and the Bellevue transit center and future East Link light rail station. Positioned in the heart of the office core and surrounded by the growing residential neighborhood of downtown Bellevue, this is the opportunity to take advantage of well-located street-fronting retail.
