CREEKSIDE

IN THE CENTER OF IT ALL

Centrally located in the growing Kent Valley at the nexus of Seattle, Bellevue, and Tacoma, Creekside is easily accessible via the I-5, I-405 & SR-167 highways, allowing your business to attract talent from many areas.

An aerial photograph of a business park. In the foreground, there are several large, modern, multi-story office buildings with grey roofs and white facades, arranged in a U-shape. They are surrounded by lush green trees and parking lots filled with cars. In the background, there are more industrial-style buildings with large, flat roofs, a large parking lot, and a green field. The sky is clear and blue.
