Proposed Lobby Improvements

Proposed Lobby Improvements

ENVIRONMENTAL, SOCIAL & GOVERNANCE AT MILLENNIUM CORPORATE PARK

Achieved WELL Health-Safety certification in 2022, meeting standards for healthy workplaces, with recertification for 2023 pending

Energy usage benchmarked annually through ENERGY STAR Portfolio Manager

Green cleaning products are used throughout common spaces

Specific improvements include low-flow fixtures, compost/electronics recycling, irrigation, lighting schedules, utility/waste audits, and a beehive installation to promote local biodiversity

Third-party sustainability assessments led to initiatives focused on energy/water conservation, waste reduction, health, and ecosystem preservation

Strategically located six-building campus in Redmond

Tap into the region's impressive talent that makes the Puget Sound a global tech & life sciences hub, nationally ranked 2nd and 9th, respectively. Ideally situated in the heart of Seattle's eastside, Millennium Corporate Park boasts convenient access to the bustling community of Redmond and the major highways and transit hubs that connect to Seattle and Bellevue.

Location Highlights

Immediate access to SR-520 and less than four miles from I-405, providing access to major regional transportation corridors

Located just minutes from downtown Redmond with an abundance of retail, dining, hospitality and living opportunities

Multiple modes of transit including two light rail stations opening in 2025 and Redmond regional park & ride center
