Market Overview

The Puget Sound Region is considered one of the fastest growing markets in the United States -- home to innovative industry leaders Amazon, Microsoft, Costco, Starbucks, Boeing, Nordstrom, Expedia, Concur Technologies, UW Medicine, Nintendo, and T-Mobile. The presence of these global leaders has attracted companies from all over the country including tech giants Facebook, Google, Apple, Uber, and Salesforce. Exponential growth from these companies has allowed many cities within the Seattle submarket to flourish.

Auburn is the fifteenth largest city in Washington and is affectionately known as the “gateway to Mt. Rainier.” Bordered by Federal Way to the West and Kent to the North, the city’s central location in the I-5 corridor offers convenient access to Seattle, Tacoma, and SeaTac International Airport. Auburn’s proximity to Tacoma (14 miles) and Seattle (28 miles) makes it a desirable location for commercial tenants. Incorporated in 1891, Auburn is home to more than 80,000 residents and counts Boeing, Muckleshoot Tribal Enterprises, MultiCare Auburn, Green River College, and Emerald Downs Racetrack among its Top-10 employers.

Auburn is also a community known for its rich history and outdoor opportunities. The city is home to the White River Valley Museum and features an extensive parks and trails system. In addition to Auburn’s commercial amenities and natural beauty, Sound Transit is expanding its link light rail extension in South King County with stops in neighboring Kent and Federal Way. The link extension is anticipated to increase the overall commercial traffic in the region, providing higher demand and appeal for local businesses.
