Starwood Capital Group

REDEFINING REAL ESTATE INVESTING

Starwood Capital's hallmark is to invest opportunistically, moving between geographies, asset classes and positions in the capital stack as the Firm perceives risk/return dynamics to be evolving.

OUR EDGE:

- + Deep, hands-on real estate perspective
- + Investment agility
- + Scale & creativity
- + Operational expertise
- + Capital market skills
- + Information advantage
- + Global reach
- + Distressed investing in our DNA
- + Seasoned, stable team
- + Flexible investment sizing
- + Strong risk-adjusted performance
- + History of record-setting value creation
- + Commitment to eco-conscious investment
- + Design leadership

STARWOOD CAPITAL GROUP is a private investment firm with a primary focus on global real estate. Since its inception in 1991, Starwood Capital Group has raised over \$75 billion of capital, and currently has over \$115 billion of assets under management. Over the past 31 years, Starwood Capital has invested in excess of \$240 billion of assets, including properties within every major real estate asset class:
