Cross Kirkland Corridor

5.75 MILES OF TRAIL ACCESS
DIRECTLY ACROSS THE STREET FROM ASCENT

The Cross Kirkland Corridor is the signature vision of the city and their investment to community, connectivity and sustainability. Through six miles of serene trail, infused with art and amenities, it will provide recreation, safe connection and unparalleled access to the region's broader network of trails linking schools, transit and community.

Off-you-go office space.

Located in the “Everest Edge” of the Cross Kirkland Corridor, amenities include an easy connection to downtown via the Everest Creek Canopy Walk, garden, and nearby event amphitheater and playground. Directly across the street is also Chainline Station, a food & beverage operator serving everything from coffee and pastries to happy hour refreshments.

Who's who in the neighborhood.

You're in good company with some of the region's most notable names in tech and business nearby. Exterior signage opportunity for prime visibility amongst the neighbors to "see and be seen."
