## REGIONAL MAP

# SEATTLE-TACOMA MSA

Known as the Emerald City, Seattle-Tacoma metro is situated approximately halfway between Portland, Oregon, to the south and Vancouver, British Columbia, to the north. The area's strategic location and thriving economy have made it the commercial, cultural, and advanced technology hub of the Pacific Northwest. Seattle has also earned the nickname of Cloud City and Jet City for its significant contributions to the global technology and aerospace industries.

Seattle-Tacoma MSA is a sophisticated urban center favored by shoppers and outdoorsmen alike. Surrounded on all sides by the Cascade Mountains, Mount Rainier and the Puget Sound, the region regularly tops magazine surveys of desirable places to live, work and play, a strong incentive for employers to locate in the area.
