RESTAURANTS & RETAIL

Active new street-level storefronts in downtown Seattle and the interior Cedar Hall brings together national, local and regional retail experiences.

The thoughtful design of the building's renovation offers flexibility and endless opportunities to allow for several retail uses including wellness, medical, fitness, entertainment and retail goods in the center of the City's density.

Cedar Hall's unique food & beverage assortment offers in-person convenience, from casual dining to grab & go options, groceries and more. Operable storefronts allow for open-air dining and activity in Cedar Hall for patrons duing favorable weather months.

A built-in customer base with class A office above mixed with the local and regional traffic from many of Seattle's adjacent landmarks, including Pike Place Market and the Convention Center, create a unique and exceptional destination to work, play and eat.
