The Hub

AT LACEY

The Hub at Lacey is an integrated, mixed-use campus offering 2,000 - 90,000 contiguous square feet of Class-A office.

With its convenient access from Interstate-5, Olympia, and the greater Puget Sound area, the Hub is a unique opportunity for corporate and government tenants to occupy an ideal location at a very reasonable cost. Its calm, tree-lined streets, so close to retail and community amenities, make The Hub the perfect blend of downtown real estate and the best park-like business setting.

Many companies today have to choose between downtown locations close to amenities and well-landscaped suburban business parks. The Hub is the perfect combination of both.

Situated on the southern tip of Puget Sound in the shadow of magnificent Mt. Rainier, Lacey lies in the center of a natural paradise. Five freshwater lakes within the city, miles of hiking and biking paths, several championship golf courses, and nearly 700 acres of public parkland provide employees with unlimited outdoor recreation opportunities.

Outstanding schools, a low crime rate and proximity to major metropolitan areas make Lacey one of the most desirable places in the country in which to work and live. Residents are highly-educated, community-oriented, and enjoy the highest median household income of any city in Thurston County.

Businesses from around the world have taken notice of Lacey's high quality of life, and economic development has flourished.

A place you want to be.

It might be our people-focused campus, with wide sidewalks, spacious courtyards and Public Park, and access to transit; our refined, modern interiors; or our commuter-friendly location, based in the growing city of Lacey with convenient access to major highways via I-5. Whatever it is, we offer something for everyone.

DRESSED TO IMPRESS

The Hub offers on-site commons with conference rooms, a coffee shop, and an indoor/outdoor plaza. Recent interior renovations, with elegant lobbies & common spaces, will impress employees and visitors alike, with additional renovations planned as part of our ongoing dedication to perfection.
