

COLUMBIA CENTER

701 5TH AVENUE
SEATTLE, WA 98104

THE NEW SKY LOBBY

Putting the Lift in Face Lift

OUR 40TH FLOOR SKY LOBBY HAS BEEN FULLY RENOVATED WITH A FRESH NEW LOOK AND ADDITIONAL AMENITIES

Newly updated common spaces throughout the floor

An all-new conference center capable of seating up to 135, complete with new FFE and A.V. systems

A newly created private lounge designed for tenants, accessible by key card

High-end boardroom designed to accommodate 25-30 guests

PREMIER AMENITIES

Our three-floor atrium, offering gathering spaces for large and small teams, a fireplace hangout area, and an open, terraced staircase with seating for smaller groups

Excellent outdoor spaces, including a covered patio great for lunches or small meetings, an outdoor fireplace alcove, cornhole and foosball games, and west-facing stadium seating with loads of sunlight

More than a dozen on-site food and beverage options, including Juicy Cafe, Jack's BBQ, Monorail Espresso, Evergreens, Starbucks, and Jimmy John's

Convenient on-site services, including custom printing, auto detailing, optometrist, group fitness classes, and on-site property management

Excellent connectivity with redundant fiber access points to minimize network downtime

Sky Lobby on Floor 40, featuring a private tenant lounge, boardroom and conference center; all with sweeping views. Full renovation completed and recently reopened.

Key card-accessed bike storage, convenient locker rooms and showers make Columbia Center ideal for bike commuters. Traditional bike racks also available for electric bikes

PREMIER AMENITIES

Fitness center staffed by EXOS, a premier operator of corporate/onsite fitness facilities, providing daily classes and education on the state of the art Precor equipment. Full locker rooms, showers and towel service available for tenant use only

The Columbia Tower Club, Seattle's prime business and social club, located on Floors 75 and 76, with sports casual chic interiors, excellent food and beverages, and spectacular views

The SkyView Observatory on Floor 73 with a full bar and light snacks, is open to tenants and their guests with discounted admissions

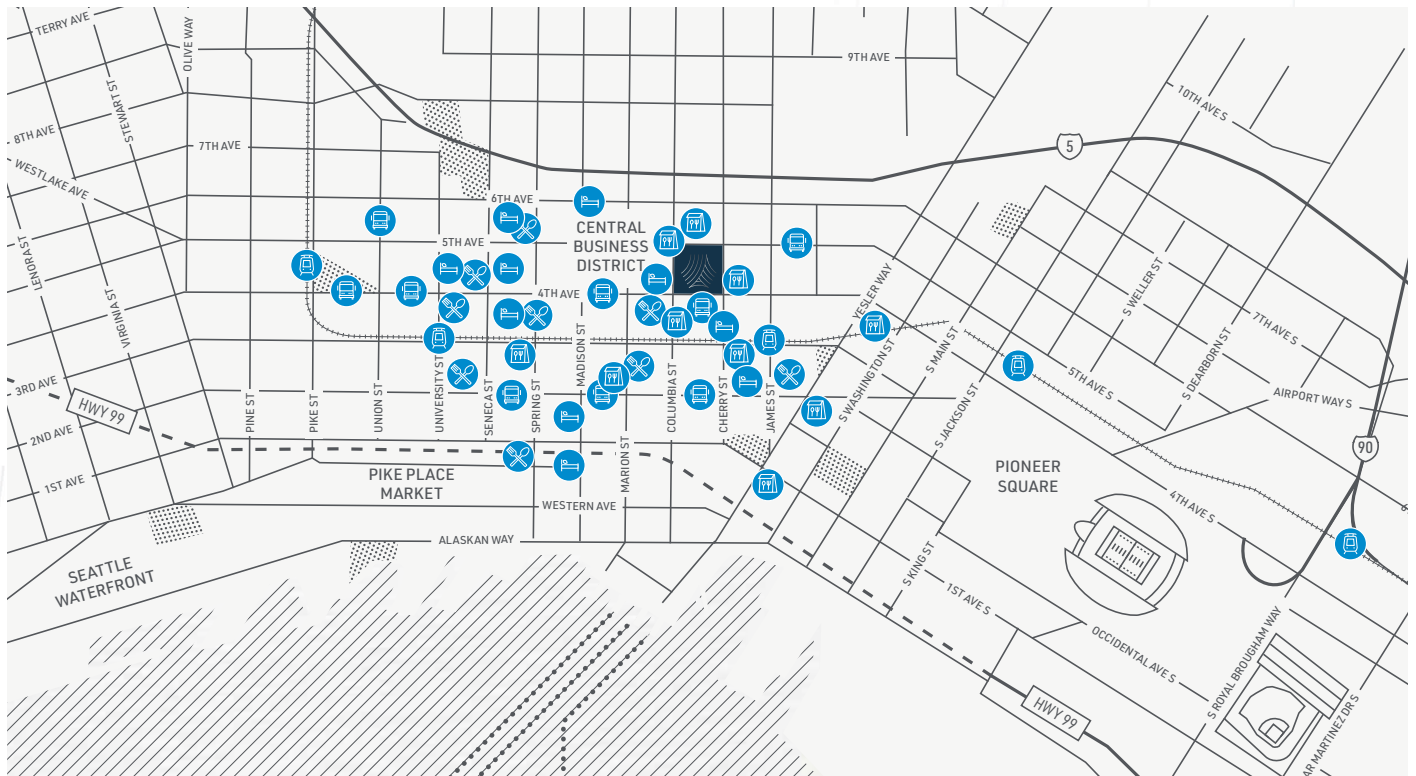

Over 700 spaces in the underground parking garage, including designated Zip Car stalls and EV charging stations

PRIME LOCATION

Columbia Center's location is ideally situated between Pioneer Square and the Central Business District. Headquarters for many leading west coast companies, this landmark address in the city's core offers close proximity to Seattle's dynamic business community, hotels, restaurants, entertainment and the hub for City and County government.

Convenient access to public transportation and the freeway system keeps business moving while saving valuable time and resources.

Hotels

Dining

Food To Go

Bus Stop

Light Rail Station

Unparalleled Access

Direct HOV access to the express lanes across Fifth Avenue

Three blocks to the entrances to I-5 and I-90

Eight major bus lines within one block

Two blocks to the light rail station and metro bus tunnel

Commuter train station and ferry dock access are nearby

Building Facts

With each floor served with its own fresh air intake / exhaust fan system and digital controls, the HVAC system provides comfort and efficiency for all tenants; ancillary cooling systems can accommodate high-density areas and server rooms

Fiber service is available from multiple providers including AT&T, CenturyLink, Comcast, Wave, XO Communications and Zayo. Columbia Center is capable of full redundancy with multiple points of entry for providers, minimizing network downtime in case of an outage.

Redundant power sources and energy management systems ensure maximum efficiency and productivity

48 OTIS elevators service the building, each bank of passenger cars accesses seven to ten floors, and all floors are accessed by two freight elevators

24-hour security guard patrols and guard stations offer controlled building access

LEED Silver Certification

SUSTAINABILITY

Columbia Center holds LEED Silver® certification and is ENERGY STAR® rated, resulting in lower operating expenses.

Energy efficient upgrades to building systems improve building operations and reduce expenses.

Progressive green cleaning program provides a safe and sustainable work environment.

On-site recycling and composting programs divert more than 50% of building waste.

DISCERNING DESIGN

Flexible floorplates,
stunning spaces,
and awesome
amenities, all ready
for you

A revolution in modern workspace design, Columbia Center offers open floor plates with an expansive windowline that embrace unrivaled views of Seattle and the Puget Sound region. The building's continuous glass line lets in the light and views, providing a sense of comfort and wellbeing for tenants. Unique floor plates provide a canvas for dramatic space designs that lift brands, encourage encounters, discussion and collaboration, and promote recruitment and retention of talent.
