The Port Susan Professional Building

The Port Susan Professional Building is a well-established, multi-unit building located in the Country Club area of beautiful Camano Island. Enjoy the peace of mind of investing in a building with longevity, and notable customer patronage, in a high-visibility location. Large greenspace area open for creative ideas (such as a park or community gardens) or keep the lot as-is with its beautiful natural scenery. All of this as well as the gorgeous views of the Cascades, Mt Baker, and Port Susan, nestled within Rural Village Zoning. Exceptional investment opportunity!
