High West BUSINESS PARK

High West Business Park is Boise, Idaho's premier Class A Industrial destination located in the thriving Airport Submarket. High West offers state of the art industrial spaces designed to meet the demands of modern business and offers unparalleled access to major transportation hubs and a dynamic business environment. Spanning 22 acres in the Airport Submarket, the park provides up to 406,000 sf of flexible space with cutting edge features such as 36' clear heights, 7" floor slabs, LED lighting, and K-25.2 ESFR fire sprinklers. The facilities are built with efficiency and durability in mind, featuring a 60 mil TPO roof and clerestory windows to maximize natural light.

Bay sizes are designed for flexibility, with typical dimensions of 54' x 50' and speed bays of 54' x 60'. Dock doors measure 9' x 10', while drive-in doors are 12' x 14', making the park ideal for a wide range of industrial operations.

1409 WEST GOWEN ROAD

The local Boise economy has seen robust growth over the last five years, spurred largely by the region’s expanding population. The growth of the Treasure Valley has brought in large corporations looking to invest in the area. Including...

micron®

\$15 billion expansion, This new semiconductor fabricator is projected to bring 2,000 new Micron jobs and 15,000 indirect jobs to the Boise area.

Meta

New data center in Kuna, an \$800 million project projected to bring more than 100 direct jobs to the area.

Boise, Idaho is an ideal location for an industrial and commercial business park, offering central access to key distribution hubs and major transportation networks. Its strategic position within the Pacific Northwest ensures efficient logistics, making it a prime spot for businesses seeking strong regional connectivity.

1201 WEST GOWEN ROAD

VOTED IN 2024

as one of the best mid-sized cities in the U.S., the capital of Idaho offers a low cost of living, many fun outdoor activities, and a thriving arts and culture scene.
