Mill Creek Distribution Center

A 226,000 square foot industrial park developed in 1989 and 1990, Mill Creek Distribution Center features tremendous access to I-5 and SR-167 via 76th Ave S 212th St. The park is designed with tenants who require extensive use of dock doors for their operation and is unique as a result of the availability of trailer parking for most spaces. The park is professionally managed and leased by Kidder Mathews.
