# TRADE AREA

The Sammamish trade area is an established and highly desirable Eastside community defined by its natural beauty, strong residential base, and exceptional quality of life. Anchored by family-oriented neighborhoods, highly rated schools, and convenient neighborhood retail centers, Sammamish attracts affluent households and long-term residents. Situated between Lake Sammamish and the Sammamish Plateau, the city benefits from proximity to major employment hubs in Redmond, Bellevue, and Issaquah, with access to key regional corridors including SR-520, I-90, and East Lake Sammamish Parkway. A blend of everyday service retailers, local businesses, and destination dining supports consistent consumer demand driven by a stable and well-educated population. With limited commercial supply, strong household incomes, and continued residential growth, Sammamish maintains its position as a premier residential market and a valued component of the greater Eastside economy.
