SPOKANE VALLEY

AREA OVERVIEW

Spokane serves as the economic and cultural center of the Inland Northwest, strategically located in Eastern Washington near the Idaho border. The region combines a strong urban core with surrounding communities and scenic natural landscapes, offering a high quality of life and a business-friendly environment. Ranked among the Top 100 Best Places to Live in the U.S., Spokane continues to attract residents and investment.

The Spokane MSA, including Spokane, Stevens, and Pend Oreille counties, has a population of approximately 470,000, while the broader region supports over 554,000 residents, with a median household income of \$74,956 and a 5.7% unemployment rate. Spokane International Airport welcomes roughly 4 million visitors annually, reinforcing its role as a regional gateway.

Spokane's diversified economy is anchored by healthcare, higher education, manufacturing, aerospace, government, retail, and logistics. Major employers such as Fairchild Air Force Base, Providence Health Care, Gonzaga University, URM Stores, Avista, Walmart, and Multicare provide long-term economic stability, supporting continued growth across the Inland Northwest.
