

Southport

CBRE

On the shores of Lake Washington,
Southport offers a workplace
experience unlike anywhere else.

Its ecosystem extends outward,
connecting work with water,
nature, and possibility in ways that
fundamentally alter how a workday
feels to everyone who experiences it.

A WORKDAY BEYOND WALLS

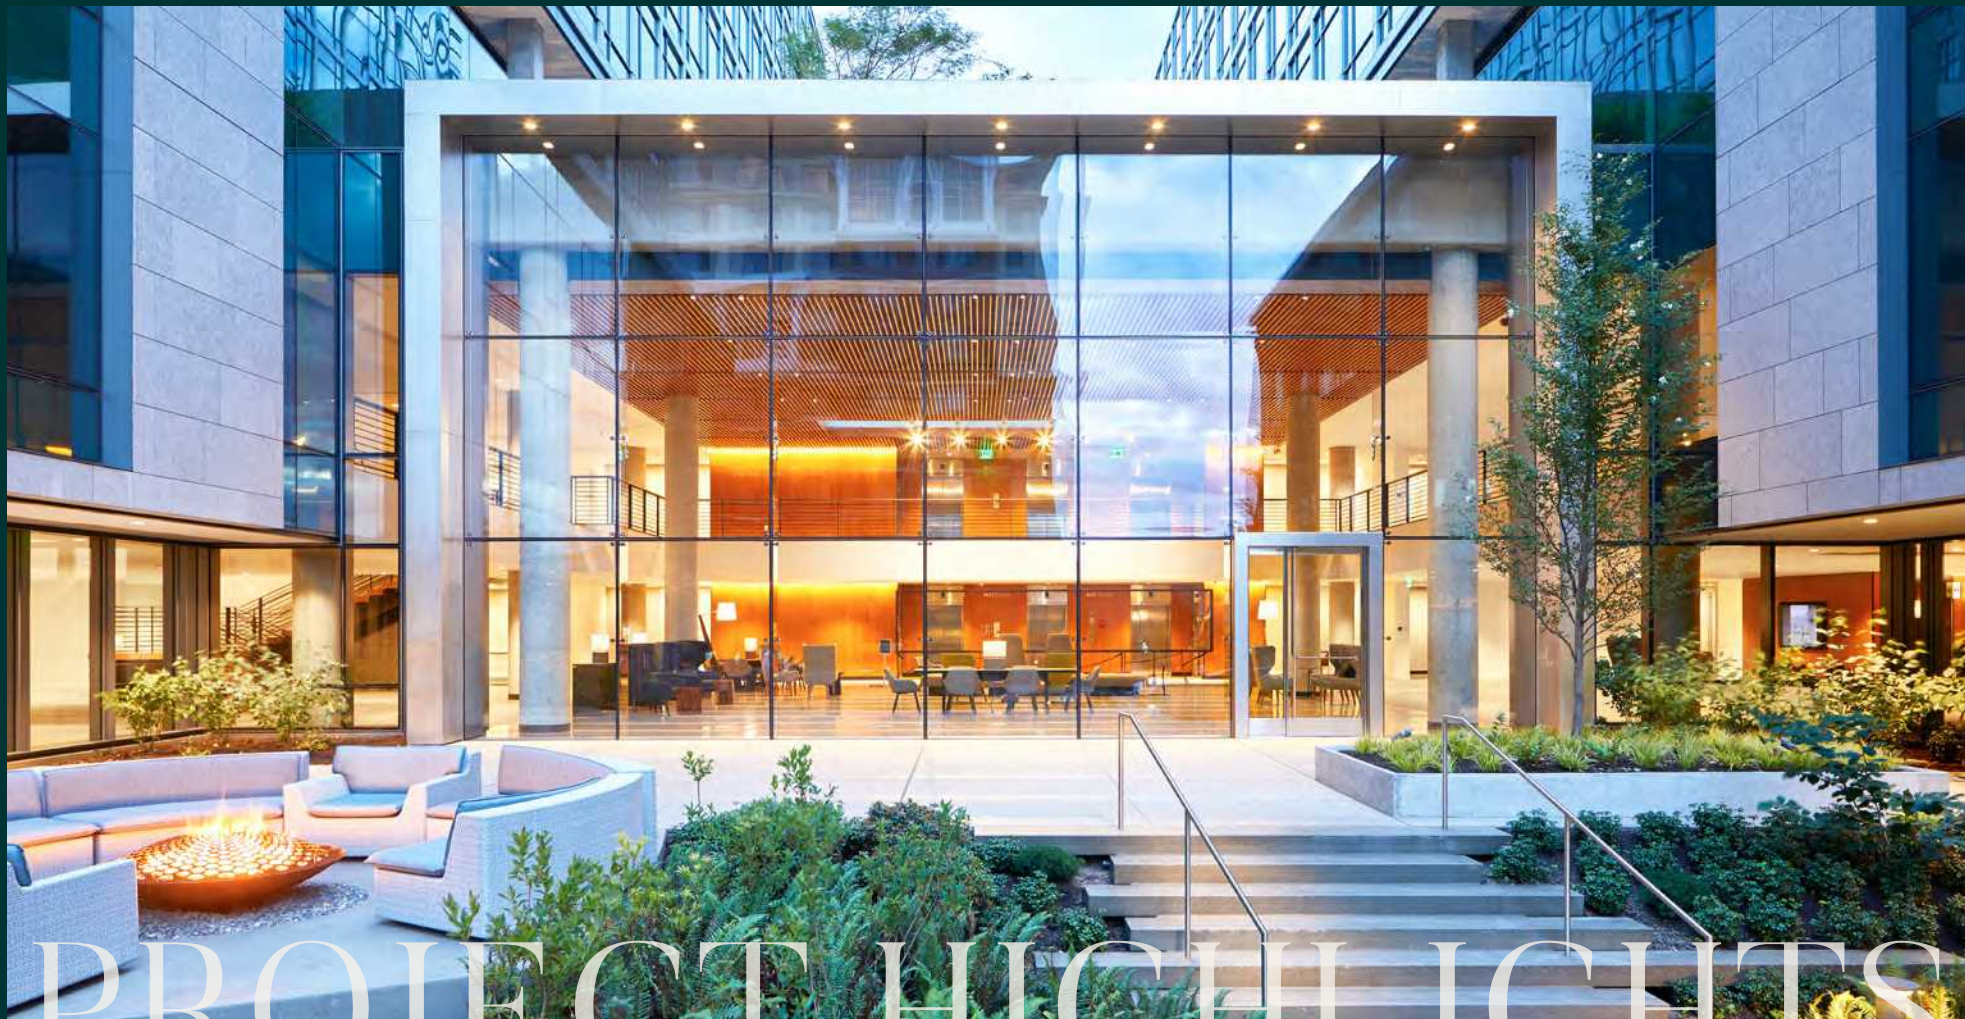

A scenic view of Lake Washington with modern buildings and lush green trees in the background. The text "A WORKDAY BEYOND WALLS" is overlaid in large white letters, with the bottom half of the text reflected in the water.

TRANQUIL BY DESIGN

Today's talent wants an office they can escape to—a destination designed to promote creativity, collaboration, community, and connection.

Southport's thoughtful design creates spaces for focused work, collaborative energy, and restorative breaks—all within a brief walk to Lake Washington's shores.

Inspiring Connection

Southport is designed to nurture talent with flexible spaces crafted for collaboration, state-of-the-art building systems, and thoughtfully amenitized common spaces to connect, create community, and relax.

Southport's central Great Room offers a refined and relaxed place to connect. With a 21-foot-high glass curtain wall and spacious interior, the 25,000-square-foot gathering space is designed to be as striking as it is inviting.

21'-High Glass Curtain Wall Provides a Connection to the Outdoors

Inviting Outdoor Plaza Promotes Intuitive Wayfinding

Ranging from 12 to
50-Person Capacity

25,000 SF
Open Lobby

Outdoor Seating
& Fire Pit

Direct Path to Hyatt Regency,
Lake Washington & 57-Acre
Gene Coulon Memorial Park

Where Nature, Tech, and Wellness Work Together.

In an age of constant distraction, Southport offers something refreshingly rare: tranquility with purpose.

Located next to Lake Washington and Gene Coulon Memorial Park, the campus provides immediate “blue space” and “green space” access, supporting productivity and offering a scientifically backed environmental boost to mental health and well-being.

- Certified LEED Gold
