Property Overview

Strategically located along State Route 525, Ken's Korner serves as a primary retail destination for Clinton and the surrounding South Whidbey community. The center is anchored by a mix of daily-needs retail, food and beverage, and service-oriented tenants, creating consistent foot traffic and a stable commercial environment. Available suites offer flexible configurations suitable for a variety of commercial uses.

The center benefits from strong visibility and accessibility along the island's primary north-south corridor and is conveniently located near the Mukilteo-Clinton ferry terminal. Available spaces provide a range of opportunities for retail, restaurant, service, and medical users seeking presence within an established community shopping center.

Planned capital improvements include HVAC repairs, parking lot resealing, upgraded plaza signage, and targeted renovations throughout the site. The property's Mixed-Use RA zoning supports a wide range of commercial and residential uses, enhancing long-term adaptability and tenant demand. Future infrastructure initiatives, including a proposed trail connection between Clinton and Ken's Korner, have the potential to increase connectivity, accessibility, and consumer traffic to the site. Combined with the expected Q3 2026 opening of Grocery Outlet, these factors position Ken's Korner for meaningful revitalization and sustained growth.
