Executive Summary

The 321 Century Building presents a unique opportunity to acquire or lease office space within a condominium-structured office building in the highly desirable Renton submarket. Featuring individually owned floors, this structure offers users and investors the flexibility, control, and cost efficiency of direct ownership while benefiting from shared building systems and common area maintenance.

Suite 200, totaling approximately 3,881 square feet, provides an efficient layout and quality improvements suitable for a wide range of office users. This opportunity is particularly attractive for owner-users seeking to establish a long-term presence and hedge against rising lease rates, as well as investors pursuing a lower-cost entry point with leasing upside. Strategically located in the heart of downtown Renton with convenient access to major employment centers, transportation corridors, and nearby amenities, 321 Century Building offers a compelling combination of accessibility, ownership flexibility, and long-term value within a dynamic and evolving market.
