

THE

EIGHT

Developed by
SKANSKA

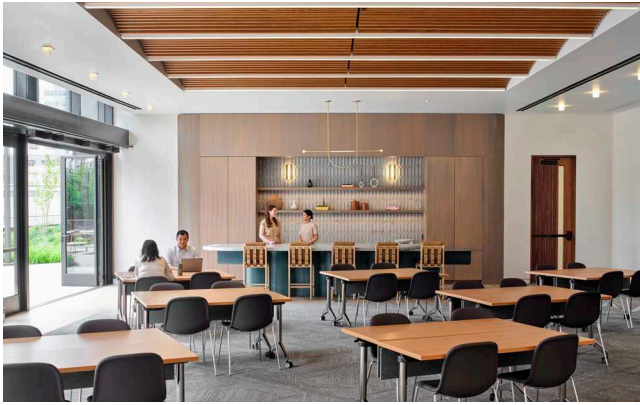

Office building times infinity

The Eight is a modern office tower for an inspired Bellevue. Another big idea by Skanska, The Eight creates a welcoming public space in the heart of downtown for tenants and talent alike.

10770 NE 8th St, Bellevue, WA 98004

TheEightBellevue.com

554,000 SF office tower with efficient, 23,000 SF average floor plates that are virtually column-free

14' floor-to-floor height, 10' drop ceiling with floor-to-ceiling glass, daylit restrooms and egress stair

Access to the outdoors including one remaining private deck on L4, tenant amenity deck, and welcoming plaza

Indoor/outdoor tenant event space and ground floor living room with 11,000 SF of ground-level retail

Sustainable design certified **Salmon-Safe**, **LEED® Platinum v4**, **Fitwel 2-star**, and featuring 100% fresh air intake

Smart and connected design featuring touchless systems, certified **WiredScore Platinum** and **SmartScore**

All together now

The Eight is built for comfort and collaboration. Elevated thinking thanks to a workplace designed with the health and well-being of your employees in mind.

We've got your 9-5 & 5-9

When you need a creative break, grab a bite at Chipotle or a drink at Sabine Café in the lounge. We've got you covered from coffee to cocktails.

Right where you want us

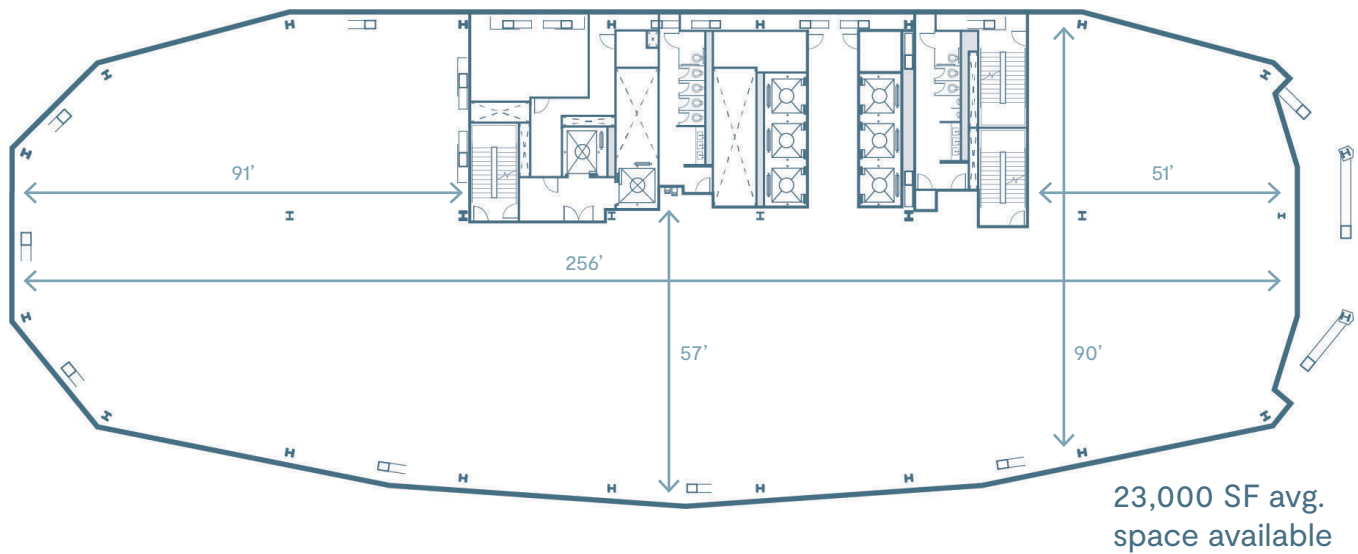

Welcome to the new neighborhood. Just a short walk to the bike lane, transit center and new light rail station, The Eight is the best kind of headquarters.

Always open seating

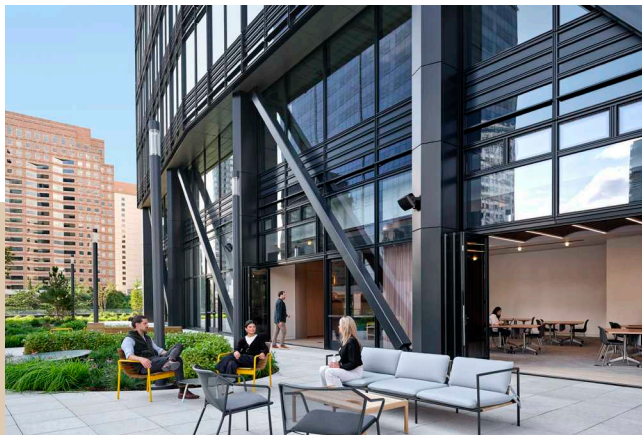

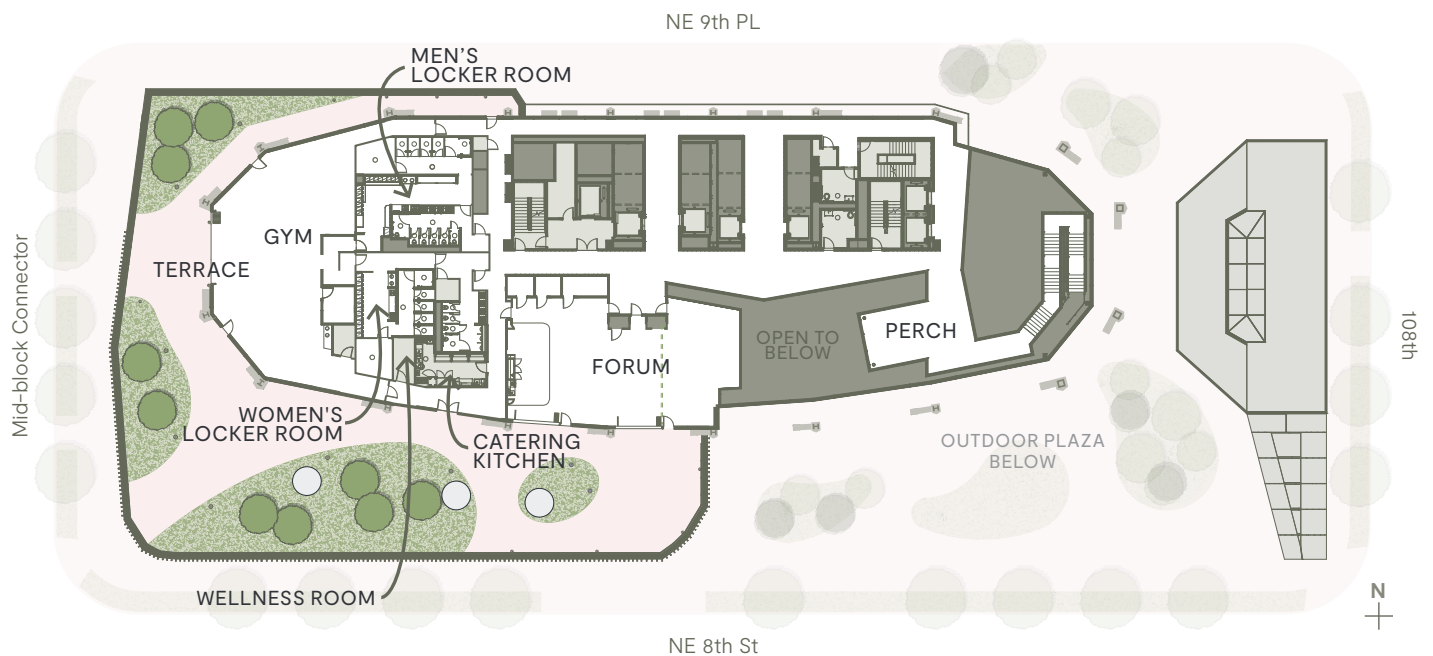

The Eight promises to be more than a meeting place. Rest your legs, catch up on emails, park the scooter or e-bike. This is community space and you are most welcome.

Typical floor (floors 3–6 and 9 available)

Level two amenities

Retail on level one: Sabine Café and Chipotle; fitness, 150-person Forum, lounge and deck on level two

Health and wellness-focused amenities including indoor/outdoor fitness space, locker rooms and saunas

Ample bike parking and electric car charging

Office tenant parking up to 2:1,000 SF

554K SF
