1916 Boren is located at the confluence of technology tenants and leading professional services/creative/financial services firms. Located near three of Seattle's densest residential neighborhoods provides excellent adjacency for employee housing. Its proximity to the retail core and newest hotels provides easy access to business and personal services. Finally, located on the core metro mass transit street, and 4-blocks from the Westlake Light Rail terminal, 1916 Boren offers an easy and convenient commute to and from the office.

Sponsorship & Project Team Overview

Trammell Crow Company is a leading commercial real estate developer and wholly-owned subsidiary of CBRE Group, Inc. (NYSE:CBRE), a Fortune 500 and S&P 500 company headquartered in Dallas. Founded in 1948, TCC has developed or acquired 3,000 buildings valued at \$90 billion spanning more than 700 million square feet. As of September 30, 2025, TCC had \$18.9 billion of projects in process and \$11.5 billion in its pipeline. With 550 employees throughout the United States and Europe in 26 offices, the company serves users of and investors in office, industrial/logistics, healthcare, life science, data center and mixed-use projects, as well as multifamily through its residential operating subsidiary High Street Residential. For more information visit www.TrammellCrow.com.

Washington Capital is an independent registered investment advisor founded in 1978, located in Seattle, Washington. As of September 30, 2025, Washington Capital manages over \$8.8 billion in assets, primarily for institutional investors. The firm was founded with an initial investment focus on managing stock strategies. Fixed income investment strategies followed. In 1987, they diversified their investment products with the addition of a Mortgage Income strategy. The Real Estate Equity strategy was added in 1996. Washington Capital launched its Advisory Services product in 2017 and serves as a Qualified Professional Asset Manager (QPAM) to Taft-Hartley trusts. Washington Capital is a 100% employee-owned investment advisor. Founded with the goal of representing the investment management needs of Taft-Hartley trusts, the firm offers clients a wide range of real estate, fixed income and stock strategies. As an investment manager to union trusts, the firm believes that strategy decisions must balance return opportunities with prudent risk considerations. They recognize that the capital entrusted to their management represents their clients' benefit obligations. The firm strives to provide superior risk-adjusted returns across all investment strategies. For more information visit www.wa-cap.com.
