# Market Overview

The City of Lake Stevens is leading an effort to transform downtown Lake Stevens, the historic core of the city. Phase I and II of the revitalization plan have been completed, with the additions of The Mill on Lake Stevens, a shared community event space, as well as an inclusive playground with a picnic shelter, an observation deck, and parking. Phase III includes the construction of a three-story mixed-use building on Mill Spur, which will house the new museum, as well as retail and restaurant space. Adjacent to North Cove Park and The Mill on Lake Stevens, the City is in the process of constructing a festival street named Mill Spur. This street is the central location to host city festivals and open-air markets. The festival street provides frontage for the new Lake Stevens Historical Museum and the relocated Grimm House to maintain a cultural presence downtown. It will also include between 30 and 40 parking spots and bicycle parking. With close proximity to the city's core, this property presents a rare chance to secure your place in one of Washington State's most rapidly expanding communities.

## Locational Highlights

- **STRONG RETAIL CORRIDOR**  
Centrally located on 20th Street NE and Main Street, Mill Spur Yard is anchored by an abundance of restaurants, recreational areas, and residential homes.
- **STRATEGIC LOCATION**
