Premiere Retail, Service & Restaurant Opportunities

Introducing an exceptional and limited-time opportunity to retailers, eateries, and services in the brand new and exclusive **McCormick Village Retail**. The retail village is envisioned to be a pedestrian-centric marketplace, where individuals stroll, shop, dine, and come together to enjoy, all while crafting unique experiences.

Nestled within the McCormick master planned community, this will be the hub for the existing 7,399 residents. Current growth targets expect the population of McCormick to be 19,000 by 2033. As the sole commercial village catering to the growing needs of the master plan and surrounding communities, this represents an outstanding opportunity for businesses to locate where there is pent-up demand.

Prospective tenants will have the chance to collaborate on architectural designs and shape their own vision.
