# Renew and Refocus

1101 Westlake is a place where urban energy meets natural tranquility— an ideal environment to renew and refocus. With its wood accents, living walls, and abundant natural light, this space harmonizes nature's finest elements to inspire creativity, boost productivity, and promote well-being.

The adjacent Waterfront Park features rotating events and food trucks. All forms of water activities abound, from sailing, kayaking, and paddle boarding to faster motor craft and yachts. Experience South Lake Union in a new dimension.

# Café & Market

Tenants and visitors will delight in the convenience and caliber of food and beverage offerings at the café and market. Balanced grab-and-go meal options, nutritious smoothies and more!

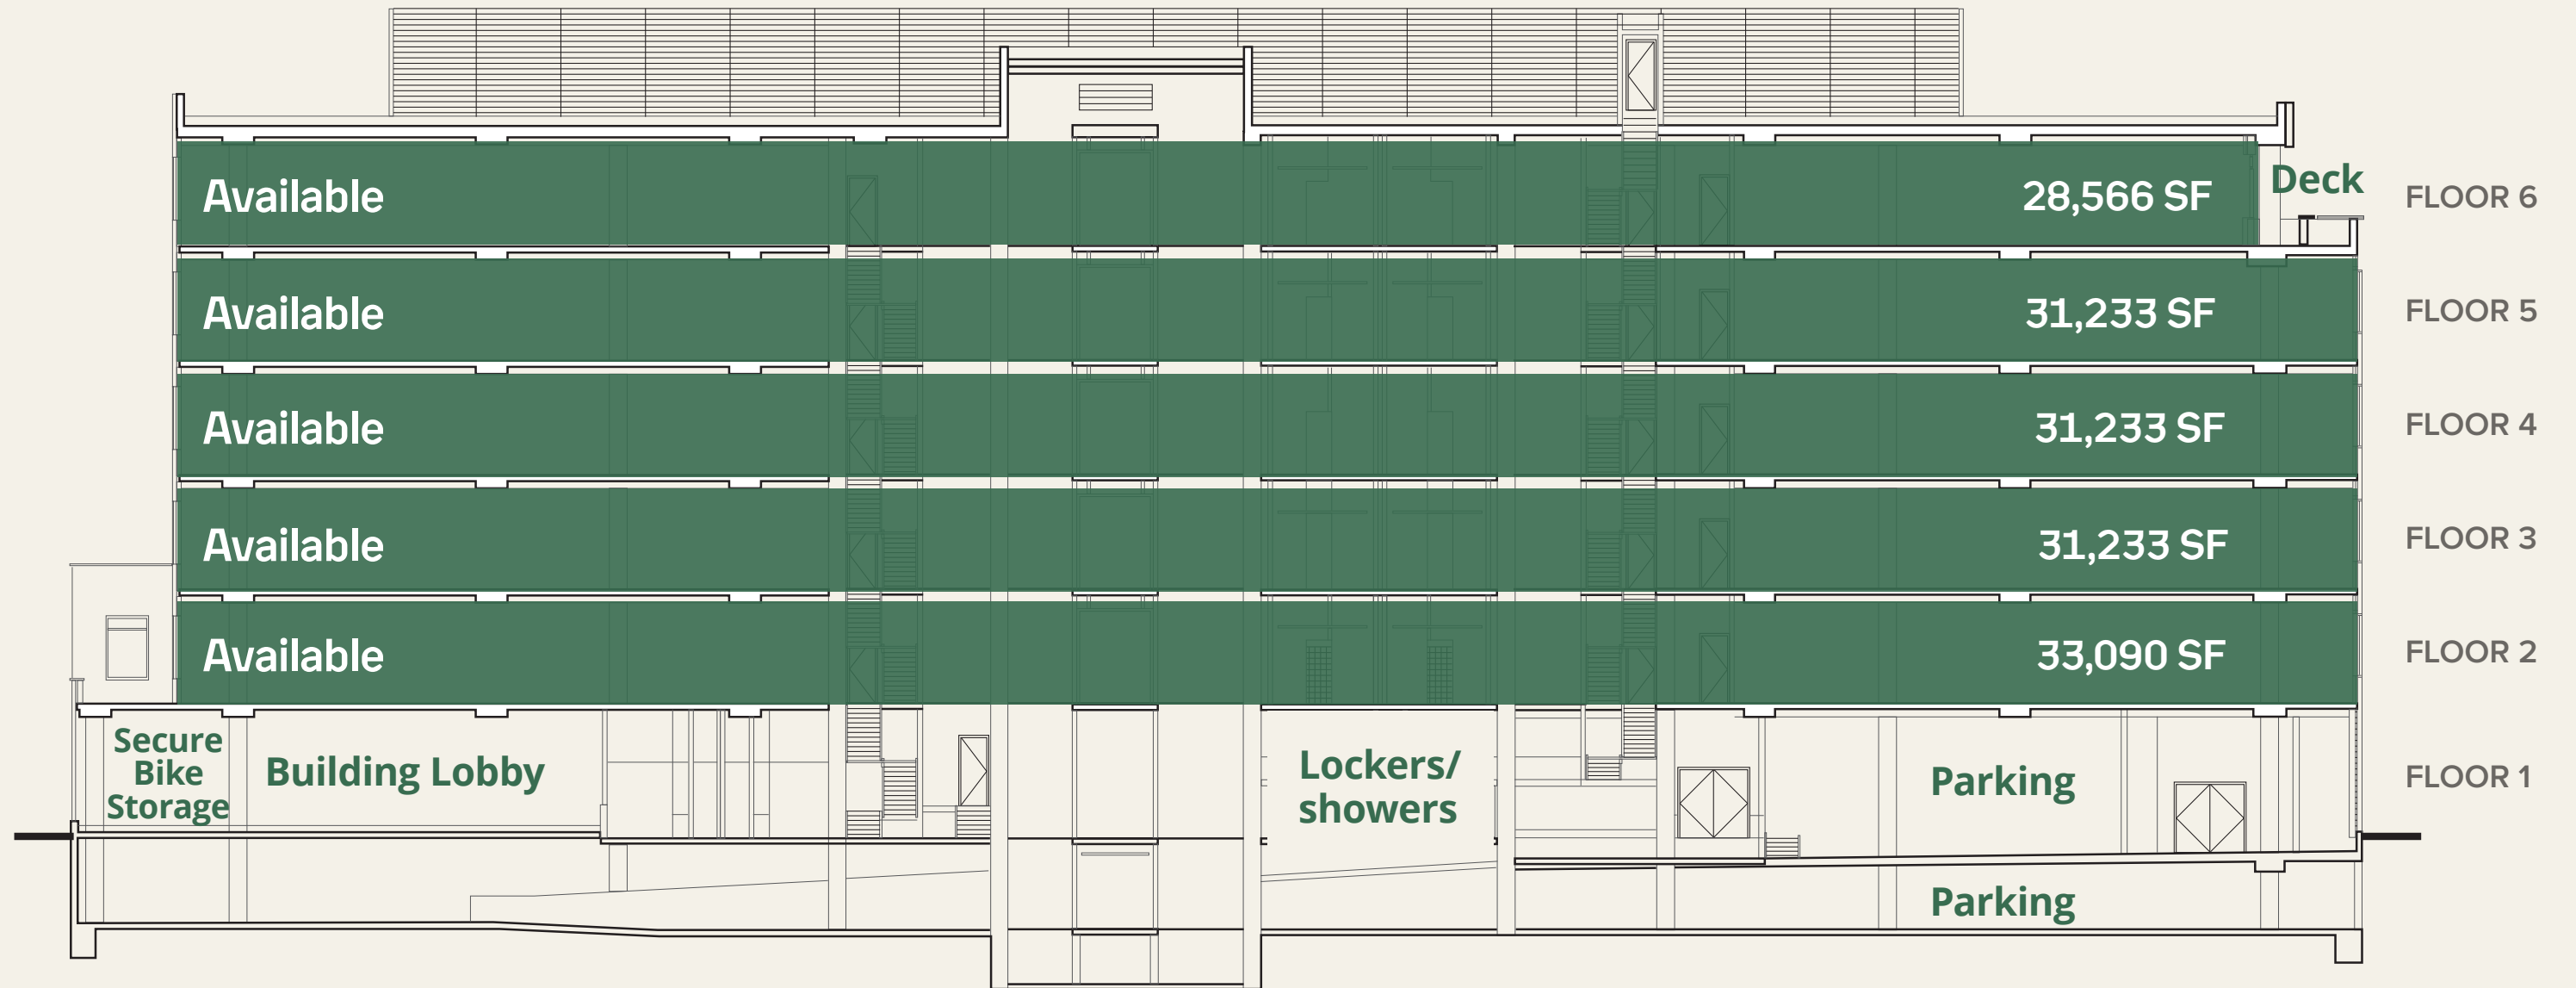

Open all day, enjoy post-work Happy Hours and gatherings using the flexible seating arrangement of the Boardwalk with reservable private conference space to suit your event.

# The Dock

For the urban explorers, culture creators, morning runners, idea makers, and experience seekers, 1101 Westlake offers the perfect blend of lakeside serenity and city convenience.

While productivity happens on the higher floors, The Dock, located just off of the lobby entrance, will offer designated space for respite. Read next to the alluring fireplace or watch the seaplanes take-off while relaxing in the suspended swing chairs.

**FLOOR 2**

**33,090 SF**

rentable area

**Floor Includes:**

## The BioMed Realty Difference

BioMed Realty, a Blackstone Real Estate portfolio company, is a leading provider of real estate solutions to the life science and technology industries. BioMed owns and operates high quality life science real estate comprising 16.3 million square feet concentrated in leading innovation markets throughout the United States and United Kingdom, including Boston/Cambridge, San Francisco, San Diego, Seattle, Boulder, and Cambridge, U.K. In addition, BioMed maintains a premier development platform with 2.5 million square feet of Class A properties in active construction to meet the growing demand of the life science industry.

We are fortunate to have a world-class sponsor in Blackstone, a strong believer of long-term market fundamentals of the life science industry. Since 2016, Blackstone and BMR have been actively investing in developing, modernizing, and expanding research facilities in our core innovation markets. Blackstone's conviction means we can also provide a substantial community benefit.
