NEW CONSTRUCTION, CUSTOMIZABLE INDUSTRIAL OPPORTUNITY

Experience the flexibility of a build-to-suit building without the delays of ground-up development. Marysville Innovation Center offers a state-of-the-art industrial facility that's never been occupied. Customizable features include flexible mezzanine configurations, in-slab infrastructure upgrades, and planned expansion space—all within a fully constructed, insulated shell. Located in the Cascade Industrial Center, this property combines a custom build-to-suit type structure and an accelerated delivery timeline in a unique, secured location.
