Property Description

Offering

The Casa Blanca is a 6-unit apartment building on the North side of 145th St. Built in 1970 this building has a great layout with four 2-bedroom units and two 1-bedroom units, and three large garage spaces with additional storage. Four of the units are stripped bare and the two occupied units are rented by tenants on MTM leases.

The upcoming 2023 LINK Light Rail addition will easily connect future tenants to Lynnwood, Roosevelt, the University of Washington, Capitol Hill, Downtown Seattle and to Sea-Tac International Airport.

An estimated \$200,000 rehab budget is suggested for replacing plumbing, siding, appliances, windows and to complete all refurbishment of units.
