HOME TO DISTRIBUTION CENTERS

Lowe's Home Centers recently selected our site for their 1.2 million square foot, state-of-the-art regional distribution center that will serve more than 60 stores in five states and will enable them to provide faster and more predictable deliveries in their growing distribution network. UNFI also recently moved its 1,150,000 square foot regional distribution center to Lewis County due to its centralized transportation hub location, the diverse, skilled, and trained labor base, and low cost of living. These attributes have also attracted many other companies to the area.
