Central Burien Multifamily Development Site

16054 3RD AVE SW, BURIEN, WA

The subject property is currently zoned CC-2 and BMC (Burien Municipal Code) 19.15.035.1 which allows a number of commercial and residential uses.

The current land use designation is High-Density Multifamily. Ownership is in the process of rezoning the site from CC-2 to RM-48 and will work with a Buyer to deliver the site zoned to RM-48. Ownership anticipates the quasi-judicial zoning change before the City of Burien Hearing Examiner will take about 120 days. BMC 19.15.010.1 provides that the RM-48 zoning allows for height up to 75' and impervious surface coverage of up to 90%

Ownership is flexible and can work with Buyer and Buyer's development team on zoning and entitlement matters.
