# GREEN LAKE EIGHT

# GREEN LAKE EIGHT

## RARE OPPORTUNITY

The Green Lake Eight is a legal duplex with 4 bedrooms and 4 baths per side. Nestled on the northern shore of Green Lake (within two blocks), the building fronts the main transit line to the UW Campus, with the bus-stop along Woodlawn less than a block away, and lends itself to an array of possibilities:

- ◆ An “8-suite Rooming House” for grad students and young professionals, which is the way it is being rented currently, to four tenants per side, dividing the rent equally.
- ◆ Conversion into a 2,540sf home. Zoning is LR2(M). Part of the ground level could be made into a garage and the upper floor could be an enormous master bedroom with a view of Green Lake, Mt. Rainier, and the Space Needle, all visible from the corner of Woodlawn and 75<sup>th</sup>.
- ◆ Or operate it as the duplex that it is, renting to tenants who appreciate having an independent bath for each bedroom. Not many duplexes can boast of having such an amenity.

## PROPERTY HIGHLIGHTS

- ◆ Duplex with 4 Bedrooms/4 Baths per unit.
- ◆ 1,270sf per unit
- ◆ New Roof in 2015.
- ◆ New Windows & New Siding in 2017
- ◆ New Exterior Paint Scheme in 2017.
- ◆ Complete renovation of the northern 7462 unit in 2022.
- ◆ Stacked Washers and Dryers & Dishwashers in each unit.
- ◆ Gas Forced Air Heat.

## Underwriting Notes and Assumptions

- ◆ We're listing the vacancy as 0%, as supported by the financials. The seller reports that in the 10 years they have owned the building there has never been a true vacancy. The brief period of time it was vacant in 2022 was due to the timing of the unit remodel. Most of the turnover has been self-fulfilling, where tenants find their own roommates. If the buyer wishes to project higher rents in a pro-forma evaluation of this unique property, then a 5% vacancy rate would be appropriate.
- ◆ To be consistent with the manner in which brokers handling duplexes report their sales, the Net Operating Income has been calculated using fixed expenses only. The accurate capitalized return, incorporating into the expenses the seller's 4-year average for maintenance (\$3,739), adjusts our Cap Rate from 4.34% to 4.09%.
- ◆ A Comp Rents page of small studio rental units in the area has been provided on page 13, for the buyer who wishes to do a proforma evaluation of projected market rents. These comp studio rents won't be unilaterally comparable, since many of them are self-contained with kitchen facilities, but it's a more accurate yardstick than what could be found with regular duplex rents, since the property is unmatched as a duplex with its 4 bedrooms and 4 baths per side, and is being rented to eight separate tenants dividing the rent proportionally.

# Puget Sound Region

The Seattle metropolitan area is the 15<sup>th</sup> largest in the United States with an estimated 3.7 million people. Sound Transit's expansion of its Link Light Rail system will soon be linking all the major Puget Sound cities, including Everett, Bellevue, and Tacoma. Seattle has a thriving local economy and is home to eight Fortune 500 companies including Costco, Microsoft, Amazon, Paccar, Starbucks, and Nordstrom. In addition, the area also includes the headquarters of numerous life science organizations including the Gates Foundation, Fred Hutchinson, Seattle Cancer Care Alliance, Seattle Children's Research Institute, and UW Medicine. Year after year both Zillow and Redfin continued to rank Seattle as one of the hottest housing markets in the nation, with strong job growth and thriving tourism. New data from the Downtown Seattle Association showed post-pandemic Seattle welcomed 2.9 million visitors in August 2022 alone.
