SURFCREST RESORT

11 Chabot Road
Copalis Beach , WA 98535

Constructed on property that originally held the resort, “Alexanders by the Sea,” in her biographical work, Lady on the Beach, Nora Berg described the property this way.

“His camp was in a dreamlike spot almost completely surrounded by trees, with a small area in the rear that looked like a tropical jungle. To reach the beach a quarter mile away you crossed sand dunes and a footbridge over a little stream called Conner Creek which there ran parallel to the ocean.....Beyond the dunes lay the loveliest beach I’d ever seen.”
