PARAGON REAL ESTATE

OFFERING

Paragon Real Estate Advisors is pleased to present The Val Anne, a 49 unit multifamily property located on the south slope of Queen Anne, one of Seattle's most coveted and prestigious neighborhoods. Built in 1958 and extensively renovated in 2019, the Val Anne offers highly sought after classic mid-century modern units which appeal to young urban professionals.

The Val Anne is comprised of a mix of studio, one-bedroom, and two-bedroom units along with 2 stunning penthouse units. 19 units have views of the City Skyline and Puget Sound, in addition 9 units enjoy private balconies. The two Penthouse units are in a league of their own with sweeping views of the city and sound. The 3 bedroom Penthouse unit has a 565 square foot roof-top terrace perfect for entertaining as well as providing as a private quiet oasis within the city.

The Val Anne offers an exceptional opportunity for a new investor to acquire a top-quality investment that will continue to appreciate over time. Currently the rents are approximately 10% below market and can be increased on turnovers or with proper notice.

VALUE-ADD OPPORTUNITY

A ventless, combo washer and dryer can be added to most units which would significantly increase the rental rate. A dedicated Val Anne website including professional pictures of the units, common areas and views would promote visibility and in turn generate higher rents.

DEVELOPMENT OPPORTUNITY

The potential exists to further increase value by building 10 additional units over the garage. The seller has obtained preliminary concept approval for a project of this scope. (Buyer to verify feasibility of project)
