OFFERING

Paragon Real estate Advisors is pleased to present the exclusive listing of the California Indigo Office Building, centrally located along California Ave in West Seattle. This well-positioned property offers 4,650 square feet of spacious and functional office space with 20 dedicated parking stalls. It also presents significant potential for future development. With its strategic location in a vibrant, high-traffic area, the site is ripe for transformation, whether you're looking to enhance the existing structure or envision a new development that could serve the evolving needs of the community. The property's high visibility, coupled with the decreasing presence of innovative office space in West Seattle, makes it an attractive investment for developers seeking to capitalize on this thriving neighborhood. Seize this chance to shape the future of West Seattle with a versatile property that offers both immediate utility and long-term potential.
