THE OFFERING

Recently Renovated Multifamily Opportunity *Ideally Located Minutes From Downtown Seattle*

CBRE proudly presents The Chateau Apartments in Seattle's Squire Park neighborhood. Sitting on a 23,040 sq. ft. corner lot, just five minutes from downtown Seattle, the Chateau is a three-story building with 21 total units. Featuring 8 one-bedroom units, 12 two-bedroom units, and a large 1,071 sq. ft. 3-bedroom unit, the Chateau has an attractive unit mix for a diverse pool of renters in the neighborhood. Additionally, the large lot is zoned LR3 (M) and would be suitable for future apartment or townhome development. In fact, a MUP was issued in 2019 for a 70-unit apartment building.

In 2023, the building was extensively renovated to include all new interior unit finishes, new deck railings, a secure remote-controlled gate for the parking area, and a fresh paint job giving the building a brand-new look for the area. Rents, occupancy and leasing activity have been strong since the renovations were completed. The area has high rental demand given the proximity to employment, Downtown Seattle and numerous neighborhood amenities. Some of the most notable nearby attractions include Pratt Park and Fine Arts Center, Langston Hughes Performing Arts Center, Rotary Boys and Girls Club, Swedish Hospital Cherry Hill Campus and Seattle University.

Offered at an in-place 5.32% cap rate, this acquisition offers the next owner an opportunity to acquire a nicely remodeled building with an attractive yield in-place, land bank a large corner lot for future development potential, and own in a high demand sub-market just as rent growth is starting to pick back up due to the lack of new units in the pipeline for 2025 and 2026.
