EXECUTIVE SUMMARY

Cushman & Wakefield’s **Logistics Solutions Northwest Team**, as the exclusive advisor, is pleased to present **1122 80th St SW (the “Property”)** — a prime investment opportunity in Everett, one of the Puget Sound region’s most sought-after industrial submarkets. This single-tenant industrial building comprises 26,160 SF on a 2.43-acre site and offers a rare Industrial Outdoor Storage (IOS) component. The Property features efficient ingress and egress, a highly functional warehouse layout, grade-level and dock-high loading options, and ample parking.

In addition to its appeal as an investment asset, the offering presents a rare and valuable opportunity for an owner/user to immediately occupy and customize the space to fit their operational requirements.

Strategically located near Paine Field, Everett’s airport began offering commercial air service in early 2019, providing 24 daily flights to key destinations along the West Coast and beyond, enhancing the area’s connectivity and logistical advantage.

PROPERTY PROFILE

PROPERTY OVERVIEW

Located in the Everett submarket, **1122 80th St SW** offers an unparalleled opportunity for businesses seeking a rare Industrial Outdoor Storage (IOS) opportunity. With exclusive close proximity to Paine Field (PAE), this 26,160 square foot property is designed to elevate your operations to new heights.
