WELCOME TO UNIVERSITY PLACE

University Place, WA, is a thriving suburb of Tacoma in Pierce County, known for its strategic location with easy access to major highways, providing seamless connectivity to Tacoma and Seattle. This affluent community boasts a well-educated, financially stable population with a median household income above the national average. The city features excellent educational institutions, including top-rated public and private schools. Recreational opportunities abound with attractions like the Chambers Bay Golf Course and numerous parks. The commercial landscape is diverse, offering a mix of retail and dining options. University Place's pro-business climate, strong real estate market, and ongoing infrastructure improvements make it an attractive destination for investment and business development.
