Zoning Description

MIXED-USE RESIDENTIAL – MUR - ISSAQUAH WA

1. This zone intends to provide a residential zone that also permits compatible nonresidential uses. The following objectives apply to this zone:
 - a. Provide a transition area where residential and limited scale commercial, office, and retail uses with limited impacts can coexist;
 - b. Achieve compatibility of uses through design development standards;
 - c. Provide opportunities for a range of housing, including senior housing, that is compatible with the existing, established neighborhood;
 - d. Locate housing in close proximity to a range of urban services, to facilitate transportation alternatives and encourage pedestrian access;
 - e. Encourage the reuse and remodeling, rather than demolition, of existing historic buildings; and
 - f. Allow a variety of residential dwellings in direct proximity to office, retail, and service uses for resident convenience and employment opportunity.
