

Green Lantern Pub Improvements

The well is inspected annually, but we will be hooking up to water within next couple of weeks.

The Septic is also inspected annually by county, and-twice a year by Stangland septic. Added a dosing timer approximately 2021 to the septic system.

Interior upgrade in 2021 which included a new bar, flooring, paint, upholstery, and furniture as well as outside furniture, rebuilt, beer walk-in and refrigeration for that walk-in.

Upgraded refrigeration in food walk-in in kitchen

In 2024 replaced all siding, painted and added new signage to the outside. Also replaced sidewalk.

Upgraded our POS system with toast.

New Roof 2019

New post and Beam 2022

Replaced fence 2024 beer garden and added chain link fence around back piece of property with gates for security.

new alarm system 2024

Plan on replacing flooring in the kitchen.
