Demographics

Location:

Lummi Island is a serene & picturesque island located in the northwest corner of Washington State. It is part of the San Juan Islands, although it is actually situated in the waters of the Salish Sea, closer to Bellingham Bay & the mainland than most of the other San Juan Islands. Access to Lummi Island is primarily via the Whatcom Chief, a county-operated ferry that runs between the island and Gooseberry Point. Lummi Island is known for its stunning natural beauty, vibrant community, and relaxed pace of life. Lummi Island has a vibrant arts scene, with several studios and galleries showcasing local artists and craftspeople. The island also hosts various community events throughout the year, including markets, festivals, and workshops.
