Everson Overview

Located just 8 miles south of the Canadian border and 16 miles north of Bellingham, the charming city of Everson, WA sits nestled in the heart of Whatcom County's farmland. With a population of 3,071 Everson is the fifth largest city in the Bellingham Metropolitan Area. Everson and the nearby city of Nooksack lie near the foothills of the Cascade mountains in Northwest Washington. Located on the banks of the Nooksack River, the businesses support the surrounding farms and logging industries. The valley is heavily influenced by Dutch settlers who established dairy farms on the fertile flood prone land. Fruit orchards and berry fields also play an important part of the town's economy.
