THE BAYSHORE BUILDING | OFFICE BUILDING INVESTMENT

First Western Properties, Inc. is pleased to offer a 0.29-acre 2 story office building in Oak Harbor, WA with stunning views of Oak Harbor and convenient access to Flintstone Park. Recent tenant improvements, totaling over \$180,000, have enhanced the property's appeal and functionality. Beyond the property itself, Oak Harbor offers a compelling investment backdrop. This vibrant waterfront community is experiencing significant growth, driven by its natural beauty, diverse recreational opportunities, and strong military presence. The expansion of Naval Air Station Whidbey, with a projected 20% increase in personnel, is expected to further fuel economic growth and demand for housing and commercial space. The proposed construction of a 102-room Hilton Hotel on the same block adds another layer of excitement to the area. This development will undoubtedly attract visitors and business travelers, further stimulating the local economy.
