30k SF Medical Office in Kennewick

The largest turnkey office building for sale in the Tri-Cities. This ±30,000 SF, two-story former medical facility features dual 15,000 SF floorplates, over 40 exam rooms per level, multiple entrances, and a central elevator. The building is fully vacant and ready for an owner-user, civic repurpose, or adaptive reuse. Positioned on a 2.5-acre corner lot, it's adjacent to Kennewick's new fire station and regional recovery center. Zoned Commercial Community, the site supports a wide range of potential users. Designed to accommodate up to four tenants, it's a rare opportunity for flexible, large-scale occupancy. Maintained by hospital staff, systems and utilities remain in good condition. MLS#0000000
