# BELLINGHAM CROSSROADS

Bellingham Crossroads presents a rare opportunity to own prime retail and multi-family land in the heart of the Bellingham commercial corridor. Located adjacent to Bellis Fair Mall and across the street from the future Chick-Fil-A location, this level lot has strategically placed egress and ingress access. This is a high traffic, high visibility, signalized corner, ideal for your next retail and/or multi-family project. There is not a recorded maximum zoning density for this property, presenting endless opportunity to develop this into a mixed use, income producing site. Wetland report available; lot grading and recorded easements all completed.

All development plans are subject to City of Bellingham design review and approvals. There is a pending specific binding site plan, creating 4 lots. Options available to purchase portions or full parcel once legal lots are created.
