ABOUT THE AREA

AREA OVERVIEW

HISTORY OF DUVALL

NEARBY AMENITIES

ABOUT THE AREA

DUVALL

Duvall is a small city in King County, nestled along the scenic Snoqualmie River, about 20 miles northeast of Seattle. With a population of roughly 8,000–9,000, it offers the perfect blend of small-town charm and convenient access to the Seattle metropolitan area. Part of the Riverview School District, Duvall provides local parks, trails, and abundant outdoor recreation opportunities, including boating, hiking, and cycling. The historic downtown features shops, restaurants, and community events, while SR 203 ensures easy access to nearby towns, Bellevue, and Seattle.

SNOQUALMIE VALLEY

The Snoqualmie Valley stretches along the Snoqualmie River in King County, offering a mix of rural landscapes, small towns, and natural beauty. Known for its lush farmland, rolling hills, and scenic views of the Cascade Mountains, the valley is a haven for outdoor enthusiasts with hiking, biking, fishing, and river activities. The region includes charming communities like Duvall, Carnation, and Snoqualmie, each with local shops, restaurants, and community events. With convenient access to Seattle, Bellevue, and other nearby cities, the Snoqualmie Valley provides a peaceful, scenic lifestyle while staying connected to urban amenities.

HISTORY OF DUVALL

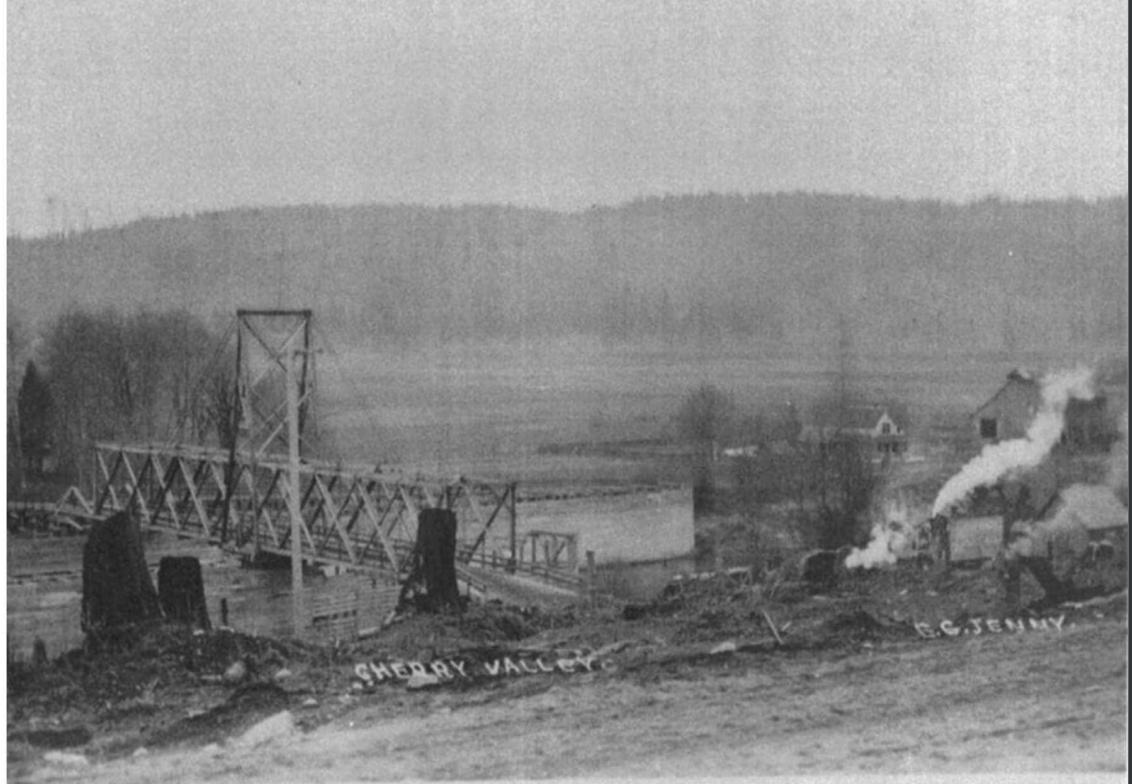

DUVALL, WASHINGTON

The area now known as Duvall was originally home to the Snoqualmie people, who lived in the Snoqualmie River Valley for thousands of years. In the early 1870s, brothers James and Francis Duvall settled the area, establishing logging operations that attracted other settlers.

Duvall was officially platted in 1910 and incorporated in 1913, partly to allow the establishment of a saloon. The arrival of the Chicago, Milwaukee, and St. Paul Railroad in 1911 spurred growth, leading to streets, sidewalks, and new buildings including a train depot, movie house, and hotels.

Despite early challenges like floods and fires, the community rebuilt and thrived. Memorable cultural moments include the 1968 "Piano Drop" rock concert, which inspired the Sky River Rock Festival. From the 1990s onward, Duvall's population grew significantly, evolving into a bedroom community for Eastside job centers, with ongoing infrastructure improvements enhancing the town center.

Today, the Duvall Historical Society preserves the town's heritage, offering residents and visitors a chance to explore its rich history through landmarks and community events.
