# OFFERING

Paragon Real Estate Advisors is pleased to present the Harbor Vista; a rare and compelling multifamily investment opportunity located in the heart of West Seattle. This well-maintained, six-unit property features spacious two-bedroom, two-bathroom units, each measuring approximately 904 square feet. Every unit includes a private deck and dedicated in-unit laundry room, offering a desirable living experience that stands out in the rental market.

All apartments are outfitted with full appliance packages, including dishwashers, ranges, refrigerators, garbage disposals, and in-unit washers and dryers. Units are in clean, rentable condition as-is, providing strong in-place income with considerable room for growth. There is significant value-add potential through interior cosmetic renovations. Nearby renovated units of similar size and layout are achieving rents of \$2,600 or more, illustrating a clear path to increased revenue. In addition, there is further upside through the implementation of utility bill-backs, parking charges, and pet rent — all of which are currently unrealized income streams.

Harbor Vista offers residents easy access to a wide array of bars, restaurants, grocery stores, and other neighborhood amenities that define the West Seattle lifestyle. Public transportation is readily accessible, and the property is only a 15-minute commute to downtown Seattle, making it attractive to renters who work in the city but prefer the livability and charm of a residential neighborhood.

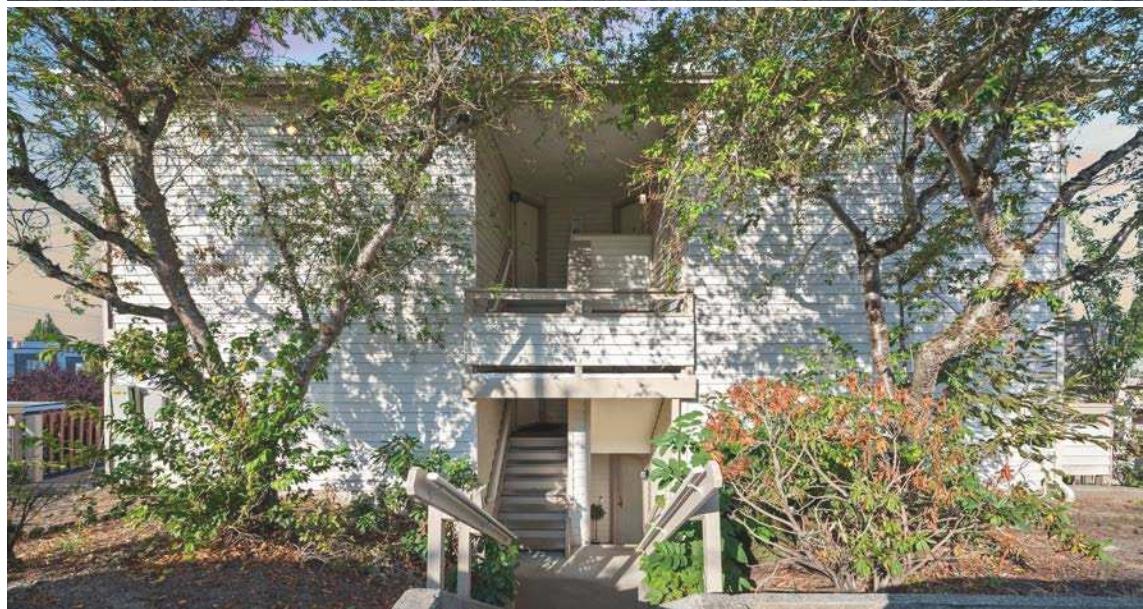

With its large floorplans, core location, and multiple layers of rental upside, Harbor Vista represents an excellent opportunity for investors seeking both immediate cash flow and long-term growth.
