THE OFFERING

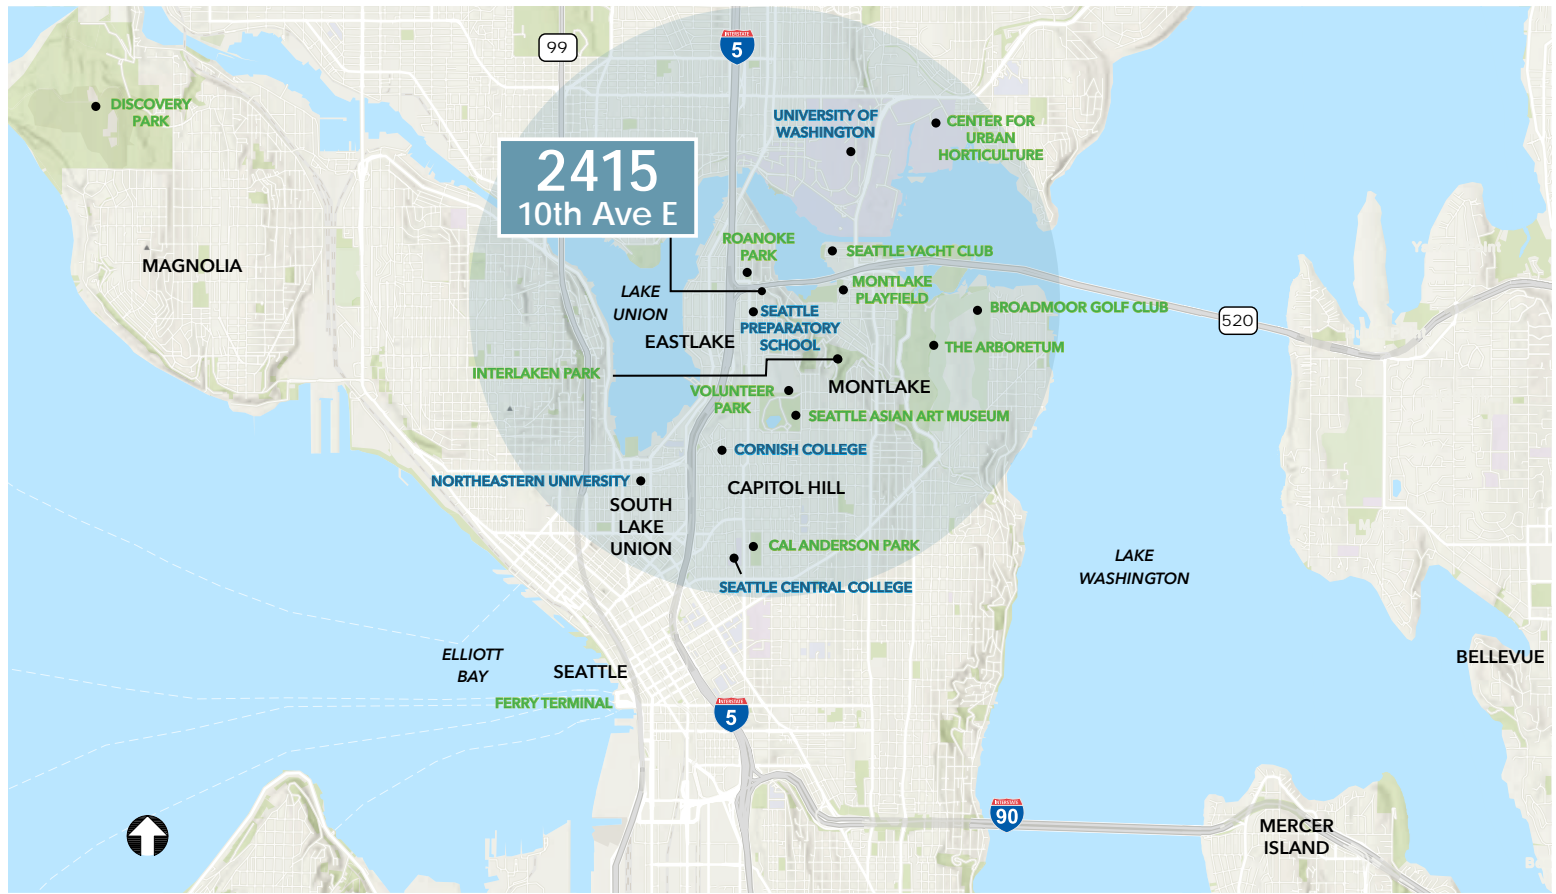

SALE PRICE | \$2,000,000

Lee & Associates Commercial Real Estate Services, LLC, is pleased to present the opportunity to acquire **2415 10th Ave E**, a prime townhome development site in Montlake. Situated on 10th Avenue E, between E Miller Street and E Roanoke Street, the site is immediately north of the iconic Roanoke bar and a short walk to the in-progress Roanoke Lid. The property is a few blocks west of Seattle Prep, and features great access to both sides of Lake Washington. It is a 5-minute drive to the University of Washington campus, 5-minute drive to downtown Seattle, and just 10 minutes from Bellevue.

The 6,925 square-foot parcel is zoned NC1-55 (M). Present ownership has explored a townhome development scenario with 7 units that average 1,428 SF and 7 parking stalls.

2415 10th Ave E is an opportunity to build townhomes in an affluent neighborhood that's just a 5-minute drive to downtown Seattle and 10 minutes to Bellevue.

LOCATION HIGHLIGHTS

The Montlake and North Capitol Hill area continues to attract buyers seeking smaller-scale, infill townhome and mixed-use development opportunities. With proximity to the University of Washington, Eastlake tech corridor, and downtown Seattle, the submarket benefits from a highly educated workforce, stable residential demand, and limited new supply due to neighborhood character and zoning restrictions.

With limited active listings and growing interest in low-density urban infill, this submarket remains a highly competitive target for smaller developers and local investors looking to deliver ownership housing in one of Seattle's premier submarkets.
