## PARKING OPPORTUNITY

722 Broadway is a three-story parking garage in downtown Tacoma, comprised of 62 parking stalls, a warehouse and storage space. At an average cost of \$225 per month per stall, an owner/user can subsidize their mortgage payment, or an investor can provide a competitive advantage relative to the market competition.

## BELOW REPLACEMENT COST OPPORTUNITY

Valued at \$1,240,000 (\$20,000 per parking stall), the parking garage is approximately 50% of replacement cost. The office building is valued at \$73.33 PSF, which is below replacement cost.

## EXISTING BUILD OUT

738 Broadway is equipped with a universally built-out office space promoting incredible functionality. This will limit the out-of-pocket costs and minimize downtime for an owner/user or investor once they acquire the property.

## COMPANY IMAGE

738 Broadway & 722 Broadway have excellent curb appeal with a reason to have pride in ownership. The buildings were remodeled in 2021 and remain in great condition today.

## MANAGEABLE PRICE POINT & SCALE

The 24,000 SF office building and 62 stall parking garage are neighboring properties providing ease of management and access. The price point has been carefully calculated to cater towards owner/users with a need for 3,000 plus square feet or investors looking for their next opportunity.
