SIZE 1.01 AC - 43,996 SF

ZONING Zoning UC (Urban Center)

- The Urban Center (UC) zone allows higher-density, mixed-use development with a combination of residential, commercial, and office uses. Projects may include multifamily housing, retail, and professional services in either vertical or horizontal mixed-use configurations. The zone is intended to support compact development near major roads and transit, with flexibility in height and density to encourage a walkable urban environment.
